

**4PAC Recommendations**  
**August 25, 2021, Stated Session Meeting**  
**UNANIMOUSLY APPROVED BY SESSION ON 8/25/21**

1-Strongly encourage mask wearing during worship services, indoor activities, and meetings on church property or at sponsored church events at other indoor venues.

2-Crossway, Nursery, all children's ministry staff and volunteers, and children 2 years and older will wear masks indoors when working with, teaching, coordinating and supervising activities for children.

3-Church events involving food/eating with 50 or more expected in attendance should offer an outdoor venue as an additional location for social distancing (or the gym, if inclement weather).

Example:

- Rally Day Pancake Breakfast will be in the fellowship hall as well as outdoors (or in the gym for rain) to allow social distancing.

4-Bonclarken Church Family Retreat will proceed. Planners will be asked to see if there are meal service alternatives that allow people to distance and mitigate handling of food such as indoor and outdoor seating, and boxed meal options.

5-In general, follow the recommendations above should allow Fourth to proceed with all normal activities and gatherings while offering care for unvaccinated children and other vulnerable participants.
