

## Fourth Mission Partners will:

1. Focus on asset-based community development, which transform individuals and communities by empowering them to utilize their God-given gifts, assets, and potential for growth
2. Practice the implementation of indigenous leadership, with decision-making power residing with the communities being served
3. Work toward sustainable change to ensure that support does not cause indefinite dependency
4. Assume a posture of humility while building relationships based on solidarity and mutual growth
5. Have a point of connection and/or engagement with at least one member of Fourth Presbyterian Church
6. Be able to demonstrate sound fiscal policies and be willing to share financial records
